2017 JUST FOR KIX SUMMER CLASS DESCRIPTIONS

May Technique: This class is designed to challenge dancers in their basic knowledge of jazz technique – leaps, jumps, turns and take them to the next level. Dancers will work on fine tuning jazz skills as well as be challenged through combinations across the floor. Intense stretching and strengthening will also be a core piece of this class.

Summer Ballet: Ballet is the foundation of all dance and is highly encouraged for all ability levels. This class will focus on ballet fundamentals and increasing flexibility through barre work, centre work, and across the floor. Dancers will gain knowledge and strength applicable to their turns, leaps, kicks, and jumps.

Preschool Camps: This is a themed camp designed for Preschool age dancers. During the camp, dancers will enjoy learning a fun routine, participate in themed activities and games, as well as enjoy craft time, coloring time, and face painting. Dancers are encouraged to dress up – the more creative the more fun we will have!

Hollywood Dance Camp: 3 day dance camp for K-9th grade dancers. We break our classes into levels so everyone can be challenged in their own way. Dancers will learn a variety of routines and get the opportunity to try several styles of dance. Technique, strengthening, games and a camp show to close out the fun.

High School Camps: 4 day camp held at Forestview Middle School. Each hour we offer classes in a variety of styles in four levels: Beginner, Intermediate, Advanced & Elite. There is something for everyone!

Intensive: Find your why this summer at the Just For Kix Intensive. This year will be packed with curriculum that goes above and beyond. Strength and flexibility, core building and technical training. Our talented staff will work with you to give you your best dance experience of the summer.
