DANCERS

Preschool-3rd grade arrive 45 minutes before show time.

Grades 4-12 arrive an hour before show time.

Arrive dressed in your uniform with hair done. Dancers will gather in the side gym before the show to stretch and rehearse.

Dancers who perform in multiple shows may bring a light lunch to eat between shows. There is not enough time to leave for lunch and come back.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the first row of the bleachers be reserved for the elderly and those who are unable to climb the steps.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so between numbers.

Applause is welcome! When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.
