Dancers

Dancers should arrive **30** minutes prior to their show, dressed in their costume with hair done and ready to warm-up and stretch. *See the specifications for each class in this newsletter.

Each Class will report to the Media Center. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.

Once dancers are dropped off at our staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at any time.

Go to the bathroom before coming to our staging area.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the parking lot and parking on the streets around school, if necessary.

ADMISSION

You enter the main doors of the High School. Adults \$5 and Students \$3.

SEATING

We will have a full crowd, but there will be enough seats for everyone. We ask that the floor seats are reserved for parents of our Tiny Kix (3-5 yr olds) and families that have a member unable to climb in the bleachers. Tiny Kix will sit in the front row of seats with one of their parents.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

After awards are handed out, our staff will stay on the gym floor with the K-3rd grade dancers until parents come down onto the floor to pick them up. Older dancers are free to meet their parents in the bleachers after awards. Make sure to arrange a meeting place prior to dropping your dancer off.
