

# HAPPY FRIDAY!!

Can you believe we're a month into the dance season already?! It's been a lot of fun so far, with one performance done and one coming up in the next few weeks ... it's so exciting getting that in so early in our season!

## Football Performance Recap

Everyone did such a great job at our football performance last Friday night!! WAY TO GO!! It was so much fun to watch our girls out there under the Friday Night Lights ... they truly did an amazing job!!

Being our first football performance, it was definitely a learning experience for me. I have some important take-aways from the evening, with "having an informant for when we're getting close to halftime" as #1 for next time!

I was so proud of them for everything ... their attitudes and behavior while we waited to perform, their ability to put it all together in only about FIFTEEN MINUTES (!), and of course their actual performance. Again ... BRAVO!!

## Halloween Performance

Our Preschool-1st grade classes will be doing a Halloween performance for the residents of Mille Lacs Health System's nursing home. This is an event that always brings lots of smiles to everyone involved so I'm excited to be partnering with their Activities Department another year!

The uniform for this performance is HALLOWEEN COSTUMES! Whatever you want, as long as you can dance in it. Make sure the footwear is danceable too ... none of those slip-on heels for our princesses out there! ;)

I heard some of you did not receive the REMIND message that was sent last week. Make sure you follow the below instructions to sign up for these notifications. You can "enroll" as many phone numbers and/or email addresses that you want ... so if Grandma always brings Suzie-Q to dance, you can set it up to text both you and Grandma so everyone's in the loop! :)

## **UNIFORM ORDERS ARE PAST DUE!!**

If you need to order a uniform this year, please get your order in ASAP! Just For Kix designs and creates all their own uniforms, so orders made after September 30th can't be guaranteed for delivery before our Winter Show in December. See my sizing notes here: [Uniform Sizing Notes](#)

### **Receiving Uniform Orders**

Uniforms/Shoes are sent directly to me, and then I distribute them at class. When you receive your order, please try them on as soon as possible (except for tights - these are non-returnable once they are opened). If it turns out that we need a different size, we can exchange them -- but the sooner we know this, the better!

## Isle Just For Kix Google Calendar

Here is a quick look at what's coming up in the next few weeks. You can access this calendar at any time, but please note that I'm still working on a few items when you get far enough into the season. But it should give you a good idea of upcoming events! The picture below should be a link, and there is also a link in the signature line of my emails.
