What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available in the District and High School lots.

ADMISSION

Remember to have your presale tickets available to give to the door monitors. Tickets may be purchased at the door, but they will be \$2 more per ticket.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Teeny Kix (2-3 yr olds) and families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

Our last number will be the finale! which encompasses all classes 2nd-12th. After the finale, we will gather for a larger group photo, and after that you can meet your dancer on the gym floor! Feel free to stick around and take photos with the backdrops and dance friends! :)
