## *Dancers*

Dancers should arrive 30 minutes prior to their show, dressed in their costume with hair done.

Each Class will report to the Dancer's Only staging area. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag. We will have an area for the dancers to change in, but it will be an area that can hold a few girls at a time. For any boys that need to change, there will be a Boys Rest Room area just outside the gym that they can use to change.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around in the gym area without their instructor at anytime. The exception is for the Teeny Kix SS3 and Pre-Petite classes, they will stay with older dancer volunteers until they perform and then they will announce for a parent to come down to pick up their dancer to sit with them.

# Uniforms & Details

Be sure to not wear any jewelry except the competition earrings (Wee Hip Hop, Wee Pom, Twinkler Jazz, and 4th grade thru 12th grade dancers should have the competition earrings).

Other classes are able to buy the competition earrings to wear under the uniform section on the dancers account online (they have pierced and clip ons).

All Classes will arrive at 3:30 PM in the designated staging areas ready to Stretch!

**Staging Areas:** For Teeny Kix thru 3rd grade the staging area is the Left Side in the Back Corner of the gym. They can find their name for their class and sit on the paper that has their name on it! For 4th and 5th grade the staging area is the area in the back left corner of the gym closest to the chute area. For 6th thru 12th grade the staging area is the left side of the gym space.

**Uniforms:** Be sure to arrive in your uniform with tights (except in hip hop), hair piece, and shoes! If you are in multiple classes be sure to have all of your uniforms that you will need to change into later! If you have a Nude colored leotard you can wear it under all of your uniforms to assist in changing if you so choose.

**Make-up:** All classes should have make-up on to include Foundation, Coral or Pink Blush, Silver Eye Shadow, Black Eye Liner, and Fake Eyelashes or Black Mascara. The exception for the Teeny Kix thru Wee Petite classes is that they don't have to wear eye liner and mascara. If your child is allergic to make-up then please let me know. The fluorescent lights in the gym will wash the color out of their faces, which is why we ask for them to wear make-up.

# What to Expect

## **PARKING**

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the North lot, West lot and the sides of the street. Since it is a weekend the parking permits are not required for the parking lots.

## **ADMISSION**

Remember to have your online pre-sale tickets available to give to the admission person, we will open the doors at 3:00 PM. We will have tickets available for sale at the door. If you need to leave after you have entered, please be sure to have your hand stamped for re-admittance. Dancers will enter the gym at the admission table and then walk along the left side of the gym to get to their staging area.

## **SEATING**

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Teeny Kix (3-4yr olds) and families that have a member unable to climb up the bleachers. The first two rows will be blocked off with signs saying reserved for Handicap and Elderly.

## **DURING THE SHOW**

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

## **AFTER THE SHOW**

Our last number will be the finale' which encompasses all classes K-12th. Our staff will stay on the gym floor with the K-3rd grade dancers until parents come down onto the floor to pick them up. Older dancers are free to meet their parents in the bleachers after the finale'. Make sure to arrange a meeting place prior to dropping your dancer off. Our preschool dancers will sit with their families following their last performance.
