## *Dancers*

Each Class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

# What to Expect

## **PARKING**

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the South lot and street parking around the high school if necessary.

## **ADMISSION**

Remember if you purchased pre-sale tickets, your name will be on a list at the admission table.

## **SEATING**

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the first row seats are reserved for parents of our Tiny Kix (3-4yr olds) and families that have a member unable to climb in the bleachers.

## **DURING THE SHOW**

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

## **AFTER THE SHOW**

Parents can come down onto the floor to pick their dancer after our group picture.
