

**BRAINERD SENIOR HIGH SCHOOL GYM**

**SATURDAY, MAY 4TH**

**SOLO SHOW - 9:00AM**

**SPRING SHOWS - 12:00PM & 3:00PM**

## Dear Parents, Dancers & Friends...

We invite you to sit back and relax as we head into the sunshine season with our spring recital of "Here Comes the Sun!" We are so proud of the time, dedication, and hard work our dancers have put in this year and can't wait for them to showcase their skills for you! We just wrapped up nationals this past weekend feeling so proud of each and every dancer that competed. We had our best performances of the season and seeing them all take it up a notch is what it's all about!

There are so many people to thank. We thank all the parents for the rides, paying the bills and trusting JFK for your child's dance instruction. We love each dancer and it's a joy to get to watch them grow in dance and in life. We thank the teachers for their creativity, their patience, and instruction. Just think each "beat" has to be created and planned. We are so blessed to have so many talented staff. Thanks to our office staff who sew and pack costumes, take calls, and counter staff who answer so many questions. The most important people to thank are the dancers. They put their hearts and souls into all they do. We applaud their hard work! We can't wait for you to see what they have in store for you today!

We hope you enjoy our show!

Dear Seniors,

As you move into new adventures in your life, know that you take a piece of each instructor's heart with you. You each are so special in your own way and have been so fun to have in class. It has been a joy to have made so many memories together. We will miss your leadership, skills and personalities at the studio. Please stay in touch and we hope the Just For Kix Studio is always your second home.

We love you!

## ANNA & ARI

---

We are so sad to be losing two of our wonderful instructors this next studio season. Anna & Ari will be moving to the cities. We so appreciate all the time and hard work they both put into our program this year. They are such wonderful teachers who will truly be missed but we are so excited for their next adventures! ❤️
