\*See the show line up to know when your dancer performs.

## Dancers

Dancers should arrive 30 minutes prior to their show, dressed in their costume with hair done. \*See the specifications for each class in this newsletter.

Each Class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

## What to Expect

### PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available, please use the WEST parking lot.

### ADMISSION

Remember to have your pre-sale tickets available to give to the door monitors. You can enter the gym via the WEST doors. If paying at the door, cash or check only.

### SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for spectators who cannot climb the bleachers. Also, please make sure you know which side your Dancer will sit on:

WEST- 4-12th graders

EAST- 18mos- 3rd graders

### DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

### AFTER THE SHOW

Your Dancer will be asked to sit with you in the audience after their final performance.
