

2023-2024 Tryout Information

What class is my dancer eligible to make?

At each grade range, we offer class groupings based on the dancer's current ability level. There is no set number of dancers that we take per team. We simply evaluate every dancer and place them together with dancers at similar levels so that we can appropriately challenge and assist with each dancer's needs to help them accomplish their goals and ensure they are mastering proper technique. With each class grouping, there are different requirements. Once a dancer has been placed on a team, families have the option to dance down a level should they not want the extra financial or time commitment that comes with some of the various class options. There are other classes for certain ages such as Hip Hop, Ballet, Stretch and Strength etc. that aren't listed here as it may not be part of what they are auditioning for. See the Full Season Schedule for these classes.

*All level 2 and 3 classes are considered a PLACEMENT CLASS as referenced throughout this informational packet. If dancers are placed in one of these (level 2 or 3) classes they must take all the classes listed.

**Note: We try our best to stay on schedule but sometimes we may run behind. It's important to us that we give each dancer equal time and opportunity and that we can accurately evaluate each dancer. Thanks in advance for understanding if we run behind schedule. We will release dancers at the end of each age group session. We may need to do callbacks before they leave.*

- Dancers should wear all-black, form-fitting clothing so that we can see their body alignment. Hair should be in a bun with bangs pulled back off of the face.
- 2nd-12th grade dancers should bring tennis shoes for hip hop. They may also wear clothing that feels more appropriate for hip-hop if they wish.
- Dancers are placed in a group either before tryout day, or as they arrive that day. They will audition in groups of 4-5 in the order of group numbers.
