Admision:

Admission for spectators will be \$7.00 Adults/ \$3.00 students.

Teams competing consist of dancers in Just For Kix programs from all over the region. These competitive events have proved to be the highlight of the year for many teams. Please keep in mind the goal of these events is to provide our dancers with an opportunity to perform in front of a large crowd and share their talents with more people than just those in their community. It also gives our

dancers an opportunity to meet other dancers involved in Just For Kix from a number of different communities and we all get the chance to cheer for one another.

It is a competition and teams will be awarded places, depending on the size of the category. Categories are determined by the JFK Home Office based on average age and then grouped together in categories based on the size of the entire team. Every team cannot be in first place. We hope that everyone goes in with the attitude that "Doing your best is more important than being the best!" Sportsmanship must be a priority. We feel that the exposure to other groups will instill a harder work ethic and give dancers something to strive for. This will be a great opportunity for our dancers; I hope you make every effort to participate.
