

CLASS LOCATION FOR FEBRUARY

Hello Parents,

We have a few class **location** changes for February. I just wanted to explain quick why we have to move every so often. I try to stay at the CPS/CIS as much as I can- I rent the practice space from Community Ed. I am on the bottom for scheduling and first to get bumped- for example on school concert nights the school reserves the entire building so I can not be in there. I also cannot use the practice space on conference nights. School sports also get first dibs at the Middle School and so on. Rather than canceling classes on these nights and making them up another night, I work with Community Ed to try find us a new practice location as I know we are all busy and it's easier to keep it on the same night. That is the reason we have to move to a new spot every so often. I am hoping you understand. I do wish we could use the same spot every week but I hope my reminder emails, class announcements and notes help with any confusion.

With that being said- CE did contact me and we have to make a couple changes for February. Please see below for our detailed February schedule. Please make note of it on your calendar.
