Costume Ordering Tips

1. Typically the rule of thumb on costumes is to go up one size from clothing size. For example if your dancers wears a size 4 order a 6. They run small.
2. For Jazz shoes- order 2 sizes bigger than tennis shoes or gauge from last years shoes if your dancer was previously enrolled. I recommend waiting until fall to order jazz shoes
3. Hip Hop Sneakers go off tennis shoes size and a note will be online if when you order if you should go up 1 or 2 sizes for example. I recommend waiting until fall to order hip hop shoes.
4. We use the same black pants from year to year and often times keep the same shoes. If yours fit, no need to order new. We also keep the same earrings each year.
5. Uniforms may be exchanged or refunded within 30 days of receiving them as long as they have not been worn. Please try them on as soon as your receive them.
6. Uniforms ordered in the Spring will be delivered to student at class in the fall.
7. Uniforms take 10-12 weeks to produce.
