SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers.

Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

Our last number will be the finale' which encompasses all core kick classes K-12th. The K-3rd grade dancers will be brought back out to the entryway for pick up. Older dancers are free to meet their parents in the bleachers after the finale'. Make sure to arrange a meeting place prior to dropping your dancer off.

Our preschool dancers will sit with their families following their performance.
