Dancers

- Dancers should arrive 30 minutes prior to their show, dressed in their costume with hair done.
**See the specifications for each class in this newsletter.
- Each class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.
- Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

What to Expect

PARKING

There is parking all around the school, you may have to park on the street.

ADMISSION

No admission fee.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Tiny Kix (3-5yr olds) and families that have a member unable to climb in the bleachers

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

After your dancer performs, they will be asked to go sit with you in the audience.
