Dancers

Dancers should arrive **1 hour** prior to their show, dressed in their costume with hair done. *See the specifications for each class in this newsletter.

Each Class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

Timeline

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there should be more than enough parking in the lot.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for handicap and elderly.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

After each dancer is done with their last dance, they will be asked to sit with their families in the audience.
