

# **DREAM TEAM JAZZ and DREAM TEAM LYRICAL**

For Dream Team Jazz and Lyrical this year we are separating you into two levels A and B. You will practice together and perform together most of the time, but will separate to work on different skills once in a while. This is our first time trying this so we may split more often depending on how we feel the class works together once we are in session. Please know that making Dream Team is a very exciting big deal and we want to make sure you are going to work hard over the summer and continue to push to get better. To be in Dream Team you are **REQUIRED** to take DREAM TEAM BALLET over the Summer and Winter.
