Monthly/Upcoming News:

In December, dancers are learning Sautés, Hands on hips & slapping, Passés, Peels, Spotting, and 4th position.

Our new dance terminology this month: Sauté - French for jump or jumping. Passé - French for "to pass", this is how we draw our foot up to our knee. Spotting - To keep your eyes on one spot and whip your head back around to that spot while turning.

WINTER SHOW: December 10th @ 4pm - Moorhead High School Gym
All teams will be performing at our Winter Show. Dancers will need to arrive at 3pm for a practice of our mass routine where all 11 classes perform at once. A full newsletter on our winter show will be available soon.

Moorhead JFK at the Movies! Ballerina, an animated dance movie is coming to theaters in December. I'm working to set up a special showing for Moorhead dancers during winter break. More details to come!

In January we will be performing at basketball half-times. Tentative dates are Jan 6th & 7th.

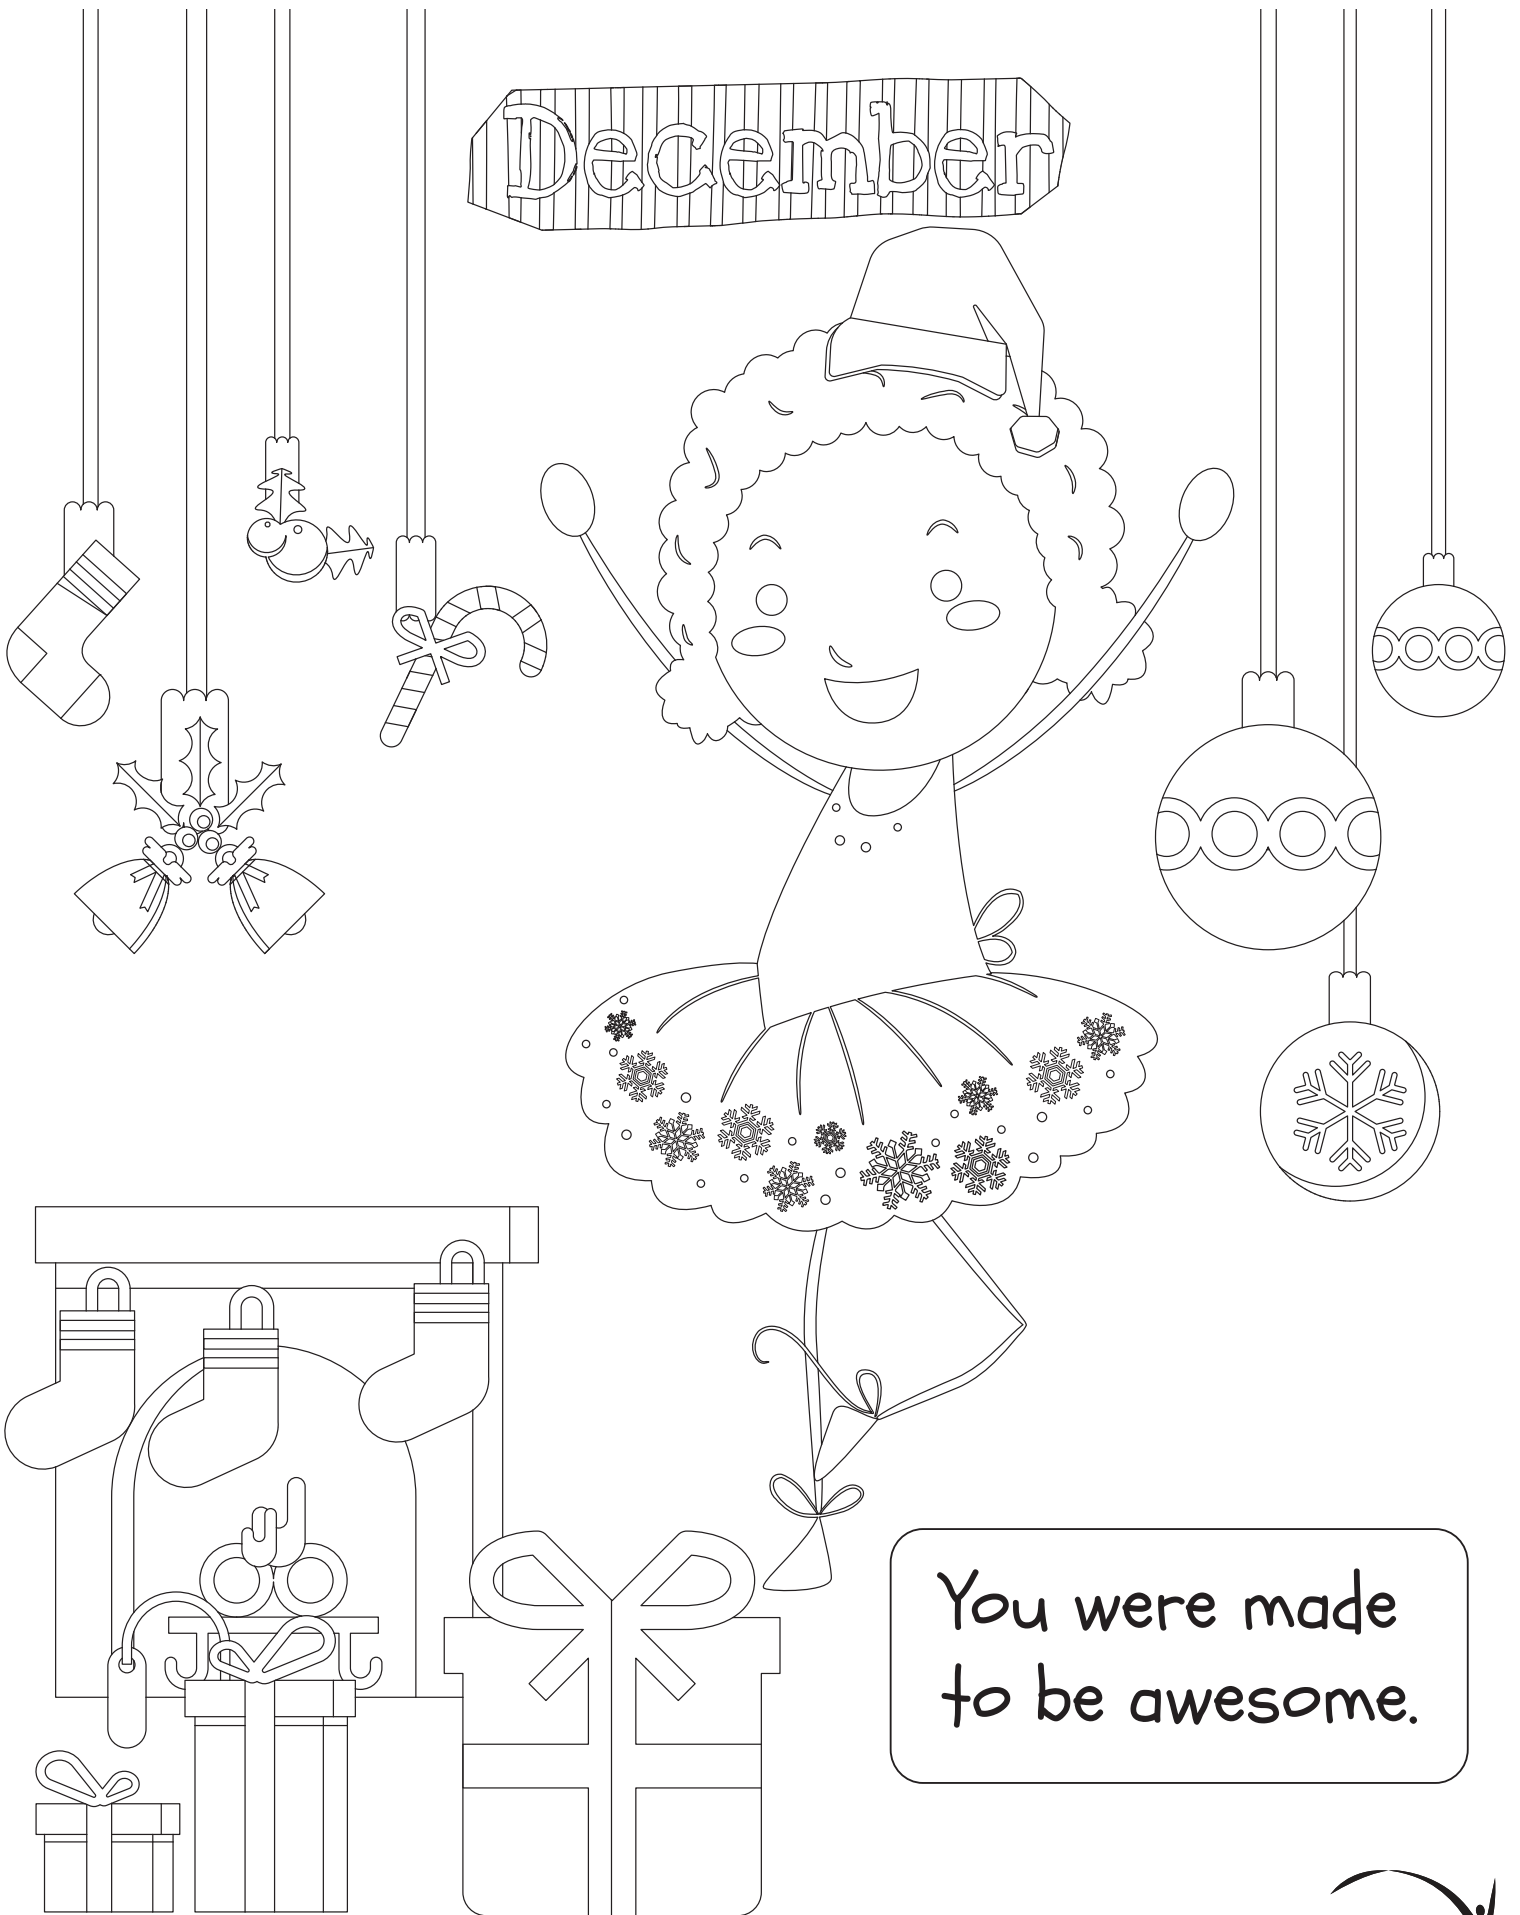

February 12th: JFK Community Show @ Davies High School in Fargo. The community show includes teams from all 4 Fargo-Moorhead programs! All Moorhead teams will perform.

Our dreams can come true if we
have the courage to pursue them.
~ Walt Disney

December

You were made
to be awesome.

Caution: Do not use markers that will bleed through.
* This is also online on your home town JFK web-site.
