

Duluth Just For Kix REGISTRATION SUMMER CLASSES Information

We are so excited to be preparing, planning, scheduling, and coming together for our 2023-2024 dance season! Early registration is so important for our staff planning, class preparation, and ensuring your dancer gets a spot in all of their favorite classes!

Summer Options:

We've created multiple options for students to take and challenge themselves. Classes are set up for dancers to take class a week at a time to give families the opportunity to travel and do other things in the summer months.

All classes will be progressive, so each week dancers will be working on new skills. If you miss one week, your dancer will still be able to pick up what they are learning for the week.

Location:

Duluth Just For Kix Dance Studio. 207 W Superior St #100, Duluth, MN 55802.

Attire/Hair:

Dancers need to have hair back and out of their face. Proper dance clothing and shoes needs to be worn during class.

WHAT TO WEAR to dance class

Appropriate dance clothes are required for class. We want to provide every child the correct feedback and when they have on loose clothing, we may miss something that is important. We are strict about this, so please make sure to have a dance bag packed with extra options.

Below are EXAMPLES of dance class outfit ideas. Colors, fit of clothing and shoes may vary from class to class.
