

Duluth Just For Kix

REGISTRATION

2024-2025 SEASON

Information

We are so excited to be preparing, planning, scheduling, and coming together for our 2023-2024 dance season! Early registration is so important for our staff planning, class preparation, and ensuring your dancer get a spot in all of their favorite classes!

When: Registration for the upcoming season is open now. There is no deadline to register, but classes WILL fill up and close when full. We ask that you register now for the classes you wish to take so we can plan if we need to add more staff. This will help us from canceling classes and having to move dancers into other classes.

Where: You can register by creating an account or using your current account on our class website. Images below demonstrate a step by step on how to use the website to get registered.

<https://www.justforkix.com/danceclasses/duluth-mn/#Classes-Schedule>

Costs: Class fees are due on the 1st of each month September-May with a late fee added on the 10th of each month. Classes are the same price all year regardless of how many weeks we meet during the month. At the end of the year, everything evens out so that you pay for and receive 36 total weeks of services, 9 months of payment.

Autopay:

You can sign up for autopay. Payments must be made in order for all dancers to participate in class. This is for safety reasons for your dancer.

Log into your dancers' account at www.justforkix.com/danceclasses

1. Go to the "Payment/Classes" portion of the account.
2. Under the AutoPay column check with classes you want to be on Auto Pay. If you have multiple make sure to added each one.
3. Under the "Edit Credit Card" portion of the account you can select the card you want the payment to process on.
4. Log out

Fees:

- One time registration fee: \$20 (renewed each summer, if you paid this for 2024 summer dance, you would not need to pay this again for the regular season)
- 30-minute class: \$45/month
- 45 & 60-minute class: \$48/month

*For private lessons, solos, Duets and Small Groups pricing refer to SDS packet

Early Registration Perks!

- Early registration means you will get a spot in all of your favorite classes before they fill up -- and many WILL fill up!

DISCOUNTS!

- **Costume Discount:** Take advantage of our early costume order discount code: **JFK\$24**
 - Use this code at checkout when ordering uniforms before June 10th and receive 15% off all of your costume purchases! Discount code needs to be entered into the box at checkout labeled 'Equipment Promo Code'
- **Class Discount:** Register for 4+ classes per month (must be the same dancer taking all four) and receive 13% each monthly class fee!

Uniform Orders: Ordering uniforms can be difficult, but we can make it easier! The more careful we are ordering initially, the fewer returns we will have in the fall.

- **Uniforms:** When ordering, consider how close your child is to the size they fit into, if they are RIGHT AT a size or in between sizes, ORDER UP!!! Kids always grow and these uniforms will be worn a whole year from now!!
- **Shoes:**
 - When ordering JAZZ and HIP-HOP shoes, take their tennis shoe size and order TWO sizes larger!
 - When ordering BALLET shoes, take their tennis shoe size and order ONE size larger!
 - When ordering TURNERS - use this chart, also keep in mind if your dancer struggles with straps slipping off their ankles you can cut and re sew the straps for a tighter fit.

Turner Size Chart

ABOUT SIZING

Adage

The Turner allows the dancer complete control of the floor, with a barefoot feel, but comfortably covers the toe.

Fitting: Begin with street shoe. Wide feet go up 1 size.
Youth Sizes: S (10-11), M (11.5-12.5), L (13-1.5) Adult
Sizes: S (2-3), M (4-5), L (5.5-6), XL (6.5-7.5), XXL (8-9),
3XL (9.5-10), 4XL (11), 5XL (12).

What classes should my child take?

When in doubt about what classes your dancer 'should' take, would enjoy, or would be successful in, we would recommend reaching out to Coach Alli, Kalie or Ava who work firsthand with your child and know their skills, likes, dislikes, and where they could thrive and see the most growth! We are more than happy to help!! We would love to have them as much as you will let us!

You could also consider these questions:

Is my dancer fairly focused, driven, and hardworking for their age? Recommend a more technical, detailed class like jazz or lyrical.

Is my dancer just starting and wanting to try something fun and exciting? Recommend pom, kick, or hip hop!

Is my dancer young and wants to be a 'ballerina'?

Recommend technique/ballet class. Joining this upcoming season also adds a great aspect for fun, gross motor movement alongside working on technique for jazz and lyrical classes.

Is my dancer looking to improve their strength, stamina, and ability? We can always tell who are dancers are in kick, this class is a fantastic way to be a toned, well-rounded dancer with endurance! Along with technique classes

Is my dancer looking for a variety of styles to fill their busy schedule? Recommend any combination of classes starting with kick, something fun like hip hop or pom, something technical like jazz, lyrical, and a class they really love to keep them extra motivated!

Pre-Requisites/Concurrent Class Requirements

Many of our classes have requirements in order to enroll. Each pre-requisite/concurrent requirement is to ensure dancers are prepared for these classes by receiving multiple classes in the week where they are stretching, training, increasing stamina, and most of all work on technical skills required for certain styles.

- Hip Hop - No requirements
- Kick - No requirements
- Pom - Requires Kick
- Ballet - No requirements
- Jazz - Requires Kick
- Lyrical - Requires Kick
- Dream Team Jazz, Rising Stars Jazz, Elite Lyrical - Requires Placement Technique along with full season of Kick

Placement Classes - Dancers 4th-12th Grade wanting to join Lyrical, Jazz or Hip Hop classes will need to attend bootcamp Aug. 7th-10th. You can register for that class online. If you're unable to attend placements you will need to set up a time with Coach Alli.

Dancers that make Rising Stars or Dream Team are required to take Kick, Jazz, Lyrical and Technique.

*Dream Team Lyrical and Jazz starts in March after the high school dance team season.
