**Limited Space** - Please know that we will have VERY limited space. We are holding the show in the large studio and there is limited seating. It is fun to do a FREE event in which we do not have to rent the school, so expect it to be crowded and you may have to stand. **THE SHOW IS SHORT SO IT SHOULD NOT BE AN ISSUE.** Children should sit on laps or on the floor and let older people have the seats. Thank you!

**After The Show** - We have a short turn around to fit 3 smaller shows on Friday night so we will need families to exit the studio promptly so the next crowd can take their seats. It's going to get congested with people coming and going, please be kind to those around you. Make sure to let the crowd from the show before you exit before you enter the studio.

**Helpful Hints** - Make sure to take your dancer to the bathroom before you drop them off, this helps us with the last minute restroom breaks. Thank you!

Thank you again for choosing Just For Kix for your little dancer. This age of kids is so much fun, they just make our day with their excitement for dance class! If you have any questions please do not hesitate to call or e-mail us.

With Kix,

Cindy, Dani, Amanda & Kelly
