

HANKINSON JUST FOR KIX BAND GROUP

This year is VERY important that you sign up for our Band group. I will keep using "Band", along with the "Remind" app. I will use the Remind app for general information texts, weather announcements texting, or class cancelation announcements.

What's so great about "Band"?

1. I am able to share music files
2. I am able to share videos
3. I don't have to limit how many characters are typed on one post
4. The Hankinson Just For Kix [Google calendar](#) is right in each group
5. I will use these groups to do live classes for any dancer who is quarantined at home (if they request it)

Here are the group options to join...

****Note:** Everybody should be in at least two groups.
The main group and your class group.
