Most Memorable Moment:

"My most memorable moment from dance would probably be from this year and getting to perform Some Nights again. This song was my first routine I ever competed with in Senior Kix. We had won first with this dance at both competitions. Paige and I were able to convince Amy to let us do the song again this year with a new routine. It was a really fun way to start and end my Senior Kix career, especially since we earned a platinum ranking this last comp in Eden Prairie. "

Plans after High School:

Plans to attend Bemidji State University and pursue an Elementary teaching degree.
