

# JUST FOR KIX DANCE BRIEF

**March & April 2017 | St. Cloud Area**

## We're looking forward to spring!

Dear St. Cloud Just For Kix Dancers,

I hope that as you look back over this season you feel you have improved, grown and became stronger as a dancer. Think of the friendships you have made this year in Just For Kix. We hope that you made some great memories and learned valuable lessons such as teamwork, dedication and trust. We also hope that you cherish the involvement of your family and friends.

Just For Kix is excited to be a part of your life. It is overwhelming to think that over 25,000 full time dancers are involved in Just For Kix youth programs around the country. St. Cloud Just For Kix continues to be one of the largest programs company-wide and we thank you for being a part of our TEAM and hope the STORY continues.

I challenge you to use your last few months of dance to grow as a dancer. Put as much effort into class as possible. When you walk through the practice door, think about what YOU accomplish that day to be a better dancer and a better leader. Be a great team member and it will help raise the level of your class and your experience.

With Kix,

**Brittney Schubert**

## Area Teams Compete at State!

Congratulations to Sartell, Sauk Rapids, St. Cloud Cathedral, St. Cloud Tech & Rocori Dance Teams who advanced to the State Tournament at the Target Center in February. We are proud of the success of our local dance teams!

## Registration will open SOON! Spring Registration

At the beginning of May, you will receive your registration packet for next season. We like to give our existing dancers first chance at registering for next season's classes as many of them tend to fill up rather quickly. We are asking that you take the opportunity to register right away this spring once you receive your registration information. It helps us immensely with planning for class sizes, staffing and any additions we need to make for the upcoming season. If you are currently in 1<sup>st</sup> grade or older and are auditioning for Jazz placements you will register after placements are announced in June. In the meantime, you should register for June Technique classes that will prepare you for the placement testing at the end of June.

### Registration is very easy!

Visit our website at  
[www.justforkix.com/danceclasses](http://www.justforkix.com/danceclasses)

If you do not know your log in, DO NOT create a new account. Simply call the home office 218-829-7107 and ask for your log in information. When you register online you can sign up for classes, order costumes and make your class payments. There is also detailed sizing information and size charts available online! Order your costumes THIS SPRING to beat the rush!

### Why Register now?

- We will love you more than we already do!
- Costumes can be ordered and paid for now rather than waiting for fall and back to school time.

## JAZZ PLACEMENT

We will hold placement testing for jazz classes for the 2017-2018 season on Friday, June 23<sup>rd</sup>.

Dancers will learn a short combo in the June Technique classes that will then be evaluated at the placement testing. In addition, we will also be evaluating skills such as: Splits, pirouettes, kicks, straight & open leaps, Chaîné turns and a la seconde turns. Dancers will try out in small groups so that we get a chance to look at every dancer. A staff member will film each of the groups and a panel of teachers will then watch the videos and evaluate each dancer to place them in the appropriate class for their current level.

Placements will be announced no later than July 3<sup>rd</sup>. It will be done via email so please be sure the email address connected to your dance account is up to date.

Dancers who are interested in becoming stronger and not losing what they have learned throughout the year are strongly encouraged to take June, July & August technique as well as summer ballet. Dancers improve so much over our 9-month season that taking 3 months completely off can be very detrimental.

## ATTENDANCE

Good attendance is imperative as we prepare for competitions and the Spring Show. *We dance as a team.* When one dancer is missing, the whole team suffers. Please make every effort to attend each class. And if for some reason you can't make it to class or a competition, please let your instructor know.

## STUDIO UPDATE EMAILS

Are you receiving our studio update emails?! Studio update emails are sent out 1-2 times per month. They are sent to the email that your dance account is registered with. If you are not receiving the emails, first, check your junk/spam settings and be sure to add our email address to your contacts. If you still are not receiving them, send an email to [stcloud\\_mn@justforkix.com](mailto:stcloud_mn@justforkix.com) to ensure that we have the correct email address on file.

## Pajama Day!

**Wear your favorite PJs to class today**

**Save the Date! The week of April 10<sup>th</sup> will be Pajama Day at dance class! Dancers are encouraged to wear their favorite PJ's!**

# Picture Week Information & Revised Class Times

Picture week will take place at the studio the week of April 24-27<sup>th</sup> for ALL classes including Pleasantview & Mississippi Heights.

Dancers will receive picture envelopes in class prior to the week of pictures. Dancers will need a separate envelope for each class they are in (ex: Emeralds will need 2 envelopes; 1 for kick and 1 for jazz). In addition, dancers will need additional envelopes for any buddy pictures.

**Please note: even if you do not plan to order pictures, all dancers must come in costumes to be a part of our group pictures.**

Hair & Make up for pictures should be done how it is worn for performances. When you arrive, dancers and parents can go into the studio and pick out a pose

from the options of poses provided. Dancers will then take their individuals. Once the entire group is present, group pictures will then be taken. Dancers are free to go when the group picture is done and their individual is complete.

**We have revised our regular class times for picture week. We try our best to run according to the times listed below so it is important that you arrive READY TO GO at your assigned class time so that you do not miss the group picture. All classes will participate in pictures with the exception of our Ballet Classes, which will hold class at regular time the week of pictures.**

**Pleasantview & Mississippi Heights classes will have class at regular class time after school and will then come to the studio for pictures on your scheduled night.**
