Only classes that apply to your child(ren) will show up in the listing. You can further filter the search by day/time or you can search by the course number listed by the class in the registration packet.

EXISTING DANCERS: If you have been in our classes in the past year, you have an account to register for the new season. The username for the account is your email. If you do not remember your password, you can reset it on the log in page. Add classes and uniform pieces that you would like to register for. You can check out all at once at the end of the process. Registration and first month payment are due at time of registration.

IMPORTANT COSTUME INFORMATION:

NEW DANCERS: All items must be purchased. With the exception of shoes (if you already have the correct color of jazz shoes). See more information below.

6th-12th GRADE JAZZ: DO NOT purchase your costume for Jazz until you have been placed on a team. Once they are placed on a team, then you can go a head and purchase their jazz costume.

FORMER JFK DANCERS: Shoes, bun forms, barrette, and some other costume pieces might be the same as last year. If you plan to use an item from last year, please be sure it is in good condition. Also please be sure the brand is the same. If different, you need to purchase a new one.

SHOES: Dancers can buy jazz shoes online or use their own. They must match the color of the costume online!

BUN FORMS: Only purchase one - either the blonde or brunette. Best match your dancer's hair color.

TIGHTS: I recommend getting new ones each year. They wear easily from year to year!

REPEAT COSTUMES: Some Jazz and Lyrical costumes might be the same. I have done this to help save money in some instances. Please do not order a costumes 2x if you see your dancer wears it for more than one class. Pay attention to all details like color of tights, shoes, etc.

NOTE: Not all costumes match the pictures online exactly. Some have been placed with leggings or shorts when basic pants are shown in the picture. Please order what you are supposed to order with the online check boxes.

ORDERING COSTUMES: I recommend ordering now so you can be first on the list to get your costumes made. Dancers who get their costumes early in the season will have time for exchanges if needed versus those who wait last minute. Costumes take 8-12 weeks to produce. Spring orders will be delivered at class in the fall.
