ALL ACCOUNTS MUST BE CURRENT FOR DANCERS TO PARTICIPATE IN OUR WINTER SHOW. If you have not yet paid your January tuition please do so today at classes.justforkix.com.

All dancers are to arrive with their hair done and in costume at designated times. **See class arrival times.

Parking:

Please use the South side parking lot and south doors. All other doors will remain locked and we do not have access to those portions of the school.

Seating:

We will have a full crowd but there will be enough seats for everyone. Our routines are choreographed to be viewed from about so every seat is a good one. We ask that floor seats be reserved for preschool families and for those who cannot climb the bleachers.

During the Show:

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is always welcome. When you see something you like while the team is performing, let them know! A dance performance is an interactive experience.

Dancers with Costume Changes: For those female dancers with costume changes during the show, I ask that a parent assist especially for the younger dancers. All items should arrive in a designated basket or bag so they can be easily found for quick changes. I will allow for time in our show order but we need to be quick and report to their class helper when changed and back in formation. We have a classroom for changes that dancers will see during dress rehearsals so they are familiar with where to find it and where to put their costumes.

After The Show:

Our staff will stay on the floor with the K-5th grade dancers until parents come down onto the floor to get them. Older dancers are free to meet their families after the show. Make sure to arrange a meeting place prior to dropping off your dancer. Our preschool dancers will sit with their families following their last performance.

Show Shirts:

We will have flowers and Winter Show t-shirts for sale at the show. Sizes will be limited. If you wish to order a Winter Show shirt prior to the show you can do so at any time through January for \$12 through your account at classes.justforkix.com

Let me know if I can help with any questions about our big day! -Miss Carly

NORTH FARGO JUST FOR KIX WINTER SHOW DRESS REHEARSAL

Saturday, January 12th, 2019 at Fargo North High School.

The south doors will be open just like on show day. When you enter Fargo North, take a left and the gym is just ahead. Dancers should report to the gym at the times listed below.

Please have your dancer arrive in full costume and that includes hair up in a bun. They should have their lipstick on but tights can stay home, if you wish. They need only wear one costume. But for those with costume changes we will show them where our dressing room is and how to get there for Sunday's show.

We will break rehearsals into individual classes and mass number practice. Some groups will overlap times for those in multiple classes but they are still getting their time with instructors for each team. I am thrilled to have one last practice before the big day to really make things run smoothly and make your dancers shine! See you Saturday the 12th! Find your dancer's team below for rehearsal times.
