ALL ACCOUNTS MUST BE CURRENT FOR DANCERS TO PARTICIPATE IN OUR SPRING SHOW. If you have not yet paid your tuition, please do so today at [justforkix.com/danceclasses](https://www.justforkix.com/danceclasses). Thank you.

- All dancers are to arrive with their hair done and in costume at designated times. **See class arrival times.
- All entering the building must be masked.
- Dancers are able to remove their masks if they choose during their performance only.
- Parking is on the west side of the building.
- Use south steps entrance. Handicapped entrance is on the southwest side of the building.

Seating: Our routines are choreographed to be viewed from above so every seat is a good one. We ask that floor seats be reserved for preschool families and for those who cannot climb the bleachers.

During the Show: Please refrain from moving while a team is performing. If you must leave your seat, please do so in between numbers. Applause is always welcome. When you see something you like, let them know! A dance performance is an interactive experience.

Changing: For dancers making costume changes during the show, I ask that a parent assist for the younger dancers. All items should arrive in a designated basket or bag so they can be easily found for quick changes. I will allow for time in our show order but we need to be quick and report to their class helper when changed and back in formation. We have a designated area in the hall for changes in our changing tents.

After The Show: Our staff will stay on the floor with the K-5th grade dancers until parents come down to get them. Our preschool dancers will be dismissed to sit with their families following their last performance.

Flowers: Flowers will be sold by our dancers fundraising for upcoming Outback Bowl Performance Tours. For more information about our upcoming travel opportunities, contact Miss Carly or check out the Events page at [justforkix.com](https://www.justforkix.com)

Let me know if I can help with any questions about our big day! -Miss Carly

NORTH FARGO JUST FOR KIX SPRING SHOW DRESS REHEARSAL

Saturday, May 1st, 2021 at the Bentson/Bunker Fieldhouse on the campus of NDSU at 1301 Centennial Blvd.

USE THE SOUTH STEPS ENTRANCE. Dancers report to the gym at the times listed below.

Please have your dancer arrive in full costume and that includes hair up in a bun. They need only wear one costume. But for those with costume changes we will show them where our changing area will be in the hall and how to get there to change during the show.

We will break rehearsals into individual classes and mass number practice. Some groups will overlap times for those in multiple classes but they are still getting their time with instructors for each team. I am thrilled to have one last practice before the big day to really make things run smoothly and make your dancers shine! Find your dancer's team below for rehearsal times.
