\*See the show line up to know when your dancer performs.

## *Dancers*

Dancers should arrive 30 minutes prior to their show, dressed in their costume with hair done.  
\*See the specifications for each class in this newsletter.

Each Class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.
