Monthly/Upcoming News:

As summer turns to fall and the temperature starts to drop, our dance program is just heating up! This month TuTu Tots are learning second position, some new stretches, how to shuffle, Pliés, Relevés, and how to improv different emotions.

If you want to quiz your dancer on terminology, two of our new words are Plié which means "to bend" and Relevé which means "to rise up on the toes." Ask them to demonstrate their new skills for you! Going up in relevé is a great way to test your balance.

Halloween Night (10/31): There will be NO Class! A Monday night makeup class will be held on Thursday, November 3rd. Enjoy the night of trick-or-treating with your family!

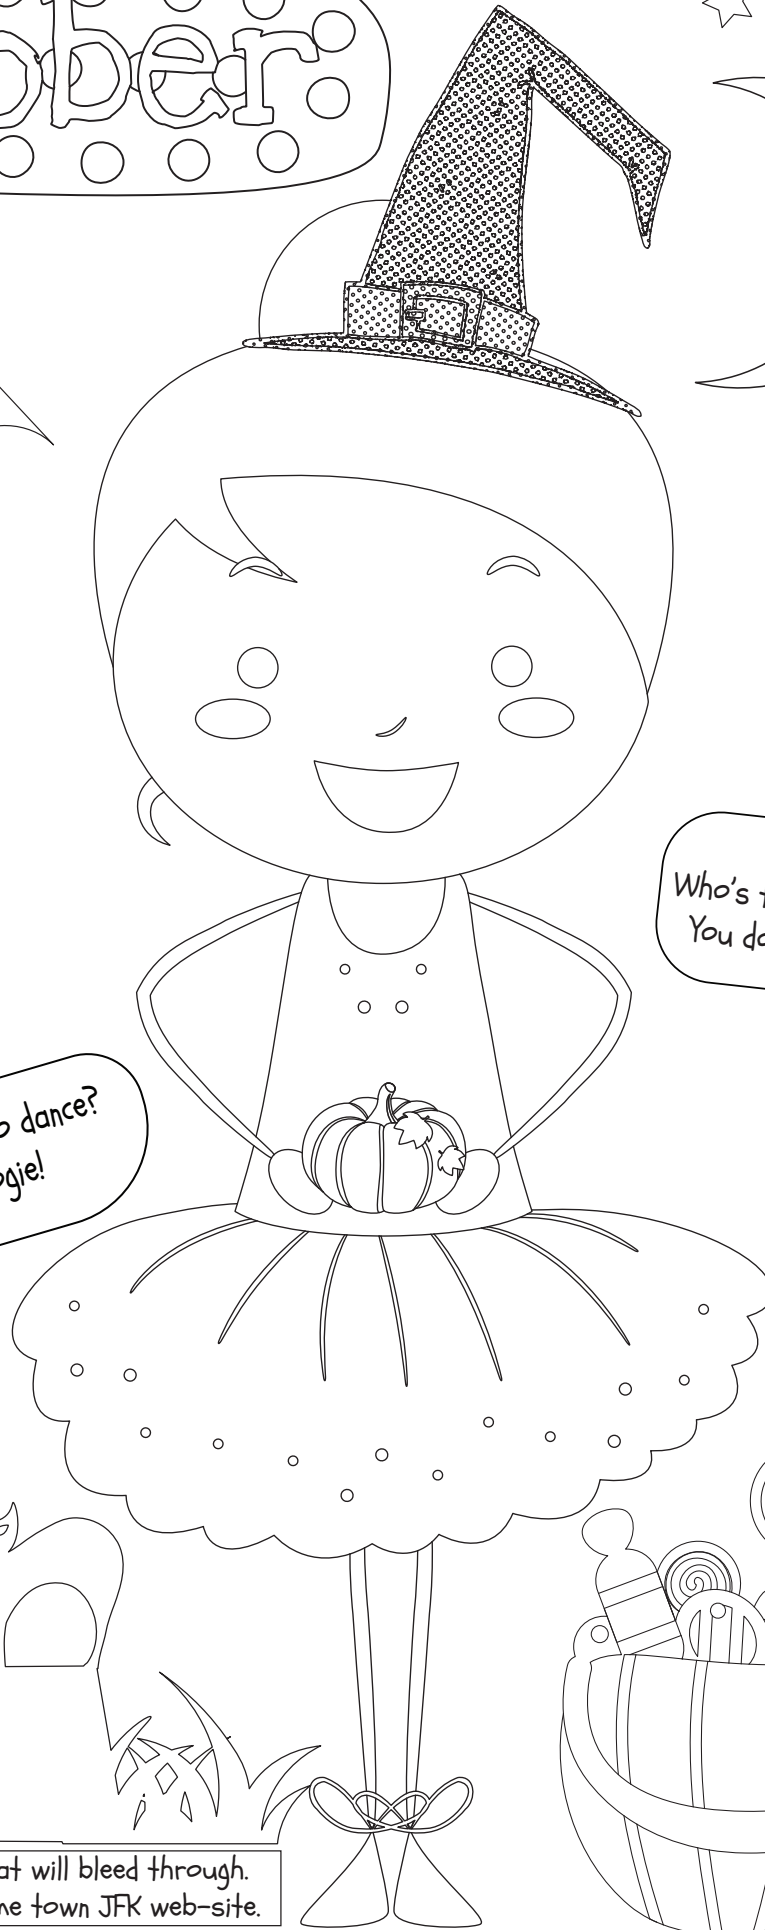

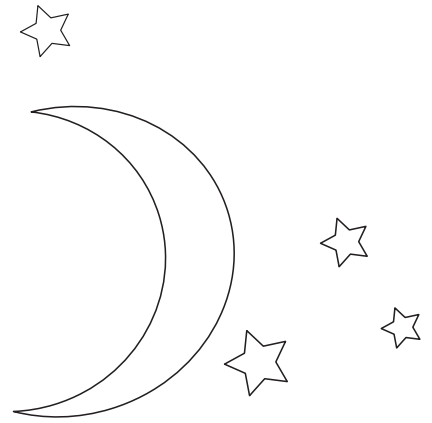

On November 1st & November 3rd (Monday's make up class), dancers can wear a dance-friendly Halloween costume. Dancers will "perform" the song they've been learning in their costumes for parents during the last 5 minutes of class.

Tip Of The Month: Always go to the bathroom BEFORE class.

QUOTE: Our dance teacher says...
You get what you get and you don't throw a fit.

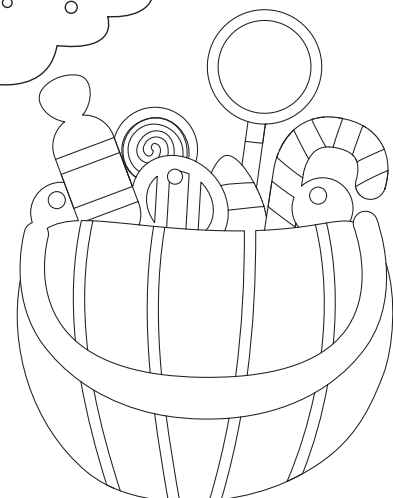

October

How do you teach a tissue to dance?
You give it a little boogie!

Knock knock!
Who's there? Boo! Boo-Who? ...
You don't have to cry about it!

Caution: Do not use markers that will bleed through.
