Admissions is free! These Halloween Shows will have no ticket sales. All are welcome! (We ask that if seating becomes limited, grandparents receive a chair in the audience.)

Where is the show? At the studio (YWCA) in the large north studio. Please enter through the main double doors.

When do we come? Dancers come dressed and ready in their halloween costumes at their prospective times (See above schedule). Please drop them off at the front doors with our staff. Parents keep jackets/coats/street shoes. They will have a table to check in dancers. We ask that parents not come backstage. (Toddler parents, if your child has severe separation anxiety, we ask that a parent stay with them.)

What do dancers wear? They wear their personal Halloween costumes! Please make sure they can move freely in them and their shoes. (example- mermaid tails are TRICKY to dance in and a difficult costume for dancers.) No groups will need Pom Poms for this show!

After the show, we will take a big group picture of all the kiddos and have the backdrop available for dancers to take individual pictures and/or pictures with their friends and teachers!

Please email Coach Sarah with any questions!
