

JUST FOR KIX DANCE NEWS

HAPPY NEW YEAR!

We are so excited to kick off the New Year and are so thankful to have you dancing with us! We are now into the performance and competitive portion of our season. It is fun for the dancers to now have the opportunity to show what they have been working on at class. One of the things we are working on throughout this season is the ability for dancers to become comfortable in front of a crowd. Please keep in mind that for many dancers, the first performance of a new routine is very tentative. They are concentrating on the order of the routine rather than performing. You may find that we perform the same routine multiple times. This takes that pressure off the dancers, as once they have mastered the knowledge of the routine and have performed it once, they are able to concentrate more on the technical details of the routine will be refined, and the expressions on the dancers face transforming them into true performers.

Please know any questions or concerns you have at anytime throughout the season are important to me. Class time is very busy so if you are unable to connect with me at class, feel free to contact at the email address and/or phone number listed below. I hope that this newsletter is helpful for you. Keep it in a safe place so you are able to refer back to it. I also keep our website updated with the most up to date information on our program. Here's to a successful and Happy New Year!
