

Princeton Costumes 2024-25

Costume Ordering Tips

1. Typically the rule of thumb on costumes is to go up one size from clothing size. For example if your dancers wears a size 4 order a 6. They run small.
2. For Jazz shoes- order 2 sizes bigger then tennis shoes or gauge from last years shoes if your dancer was previously enrolled.
3. Hip Hop Sneakers go off tennis shoes size and a note will be online if when you order if you should go up 1 or 2 sizes for example.

4. We use the same black pants from year to year and often times keep the same shoes. If yours fit, no need to order new. We also keep the same earrings each year.
