

# St. Cloud Just For Kix Registration Packet 2018 - 2019

Parents & Dancers,

As we come to an end on our current season, it is time to start thinking about the upcoming season that will soon be approaching! The last week of classes will be the week of May 21<sup>st</sup> after our Spring Show on Saturday, May 19<sup>th</sup>.

**SUMMER CLASSES** • Information regarding summer dance classes is included in this registration packet. As a reminder, all dancers currently in 1<sup>st</sup> grade and up who wish to be in a jazz class next fall and all 6-12<sup>th</sup> graders who wish to be in a placement hip hop class are **HIGHLY ENCOURAGED** to participate in the August Bootcamp to prepare for the placement testing. Following the 3-day camp, we will hold an evaluation to place them in their classes for the fall. Tryouts will be on Thursday, August 9<sup>th</sup>. Please see the attached summer info sheet for more specific information and times.

**NEXT YEAR'S SCHEDULE** • The class layout for next year is enclosed and it is also available to view online starting May 7<sup>th</sup>. If there are conflicts with times for you, please contact us to help work out a solution! Note: You should wait to register your dancer for their full season classes if they are planning to audition. If dancers do not wish to tryout, they may register for the jazz/hip hop classes available online.

The class schedule is subject to change. We will contact you if any class times or instructors change from what is originally posted.

**REGISTRATION** • Registration is 100% online! If you already have an account, you do not need to create a new one. Your dancer's grade on your account will automatically update on August 1<sup>st</sup>. Online registration for fall classes will open on May 7<sup>th</sup>. For organizational purposes, we really hope parents will register right away as it helps us determine if we need to add/cancel classes, add instructors, etc. *\*Note: The registration fee and first month of class fee will be due at the time of registration to reserve your spot in the class.*

**CAMP** • We are excited that Just For Kix is offering 2 youth camps at our studio this summer! In addition, we will be hosting 2 preschool dance camps and 2 midnight madness classes. Check out our website and summer class flyer for dates, pricing and more information!

**AUTO PAY** • A well-liked feature is the ability to enroll in Auto-Pay! You can choose to opt in to auto pay and have your dancer's account paid for on the first of every month! Save yourself the hassle of annoying reminder emails and avoid those late fees with this convenient feature!

**CURRENT STUDENTS** • We want to give our current dancers first choice on class options! In certain age groups, there are highly coveted class times. Register **EARLY** to ensure you get into your ideal class. June 1<sup>st</sup> starts our marketing push to **NEW** dancers.

**COSTUMES** • All costumes have been decided on for next year with the exception of Senior Kix & Tap III. Many are being used for a 2<sup>nd</sup> year. We strongly encourage you to order any new costumes you need **THIS SPRING!** This allows JFK the proper time to order fabric, sew them, and ship over the summer and alleviates back to school finance crunches in the fall. Costume payments are refundable until the costume has been worn.

**SIZING** • Costume sizing can be done on your own. There is a sizing guide on the website that can help you decide. For your convenience, we will be doing sizing at our Open Houses on June 23<sup>rd</sup> and August 16<sup>th</sup> from 4-7pm.

**FRIENDS** • The best kind of friends are dance friends! Please tell your friends about registration. We hope to have them join in on all the fun we are having here at **JUST FOR KIX!**

We are looking forward to the upcoming season! Please call or email with any questions!

- Your dancer will be sized at class for their uniforms. Contact your director if you were not given your dancers recommended sizing. - Uniform orders take 10 -12 weeks to produce. Spring orders will be delivered at class in the fall.

# 2018 Just For Kix Summer Studio Classes

We encourage all of our dancers to consider taking dance classes over the summer months. There is SO much progress made over our 9-month dance season that taking a whole summer off can be detrimental.

June Technique classes are great for dancers to hone in on specific technique and work to perfect specific skills related to jazz and kick as well as work on strengthening and flexibility.

July Technique/Style classes are designed to further develop dancer's quality of movement. We will incorporate technique training but take it to the next level by adding choreography and challenging the dancer's overall style, the way they move and the way they hear music. You can register for 1, 2 or all 3 of the July style classes and each class will focus on a different form of movement/style of dance.

Our August Bootcamp is NEW this year and will help prepare dancers who are interested in trying out for a placement jazz/kick teams (2-12<sup>th</sup> grade) and/or a placement hip hop team (6-12<sup>th</sup> grade). Dancers will be immersed in ballet, technique classes, strength and conditioning training as well as learning combos in a variety of styles by a variety of full year studio instructors as well as guest instructors that we'll be bringing in! We **HIGHLY RECOMMEND** this for all dancers planning to tryout for our placement classes on August 9<sup>th</sup>!

Placement classes are for dancers who are ready for more than a 1 hour per week recreational kick class. These classes are designed to help dancers that are serious about learning more and help to become a well-rounded dancer. Dancers develop more technique, body awareness, and style that will take them to a higher level of dance.

Unlike our recreational classes where dancers are grouped solely by their grade, placement class dancers are placed by grade AND skill level. We make this determination at our low-pressure placement testing on August 9<sup>th</sup>. Placements are important so that we can challenge dancers who are excelling at a quicker rate and on the other hand, slow down and break down technique more thoroughly for dancers as needed. This is similar to various reading/math groups at school. We want to provide the BEST education to all of our dancers.

All 2-12<sup>th</sup> grade dancers wanting to be placed into a jazz/kick placement class and all 6-12<sup>th</sup> grade dancers wanting to be placed into a hip hop class will need to attend the auditions on Thursday, August 9<sup>th</sup>. Times for each age group are listed on the back of this sheet. If your dancer cannot attend on this day, arrangements for trying out will need to be made for your dancer to tryout **BEFORE** Thursday, August 9<sup>th</sup>.

**"What if I don't want to be placed into a class?"** Placement testing is a great experience for several reasons. It prepares dancers how to go through an audition process which may be beneficial later in life whether they are trying out for a high school/college dance team or interviewing for a job. It also allows us to provide specific feedback to dancers to help set goals and know what to continue to work and improve on for the upcoming season. However, if dancers do not want to be placed they can register for our CORE jazz classes and coinciding kick class for their age (Twinkler/Wee, Dazzler/Mini, Showstopper/Middle, Diamond/Junior, Stardreamer/Senior).
