Classes sometimes fill FAST! I recommend registering ASAP if you know your dancer will be returning next season. I know this seems early, but I do much of my planning over the summer months, like hiring appropriate staff and selecting choreography to fit each class. I also hear from parents what a relief it is during the hectic “Back to School” season to have dance taken care of. I appreciate your early registration to help with planning. If you register now and your plans change, your September class fee is refundable, but the registration fee is not.

Uniform orders

I encourage you to order your uniform (not shoes) now. Have your dancer try on this year’s uniform and size up accordingly to allow for growth over the summer. Most dancers need a uniform size 1-2 sizes larger than street clothes. If it doesn’t fit the way you want in the fall, an exchange is easy.

Please do not order shoes now! They rarely fit when ordered in the spring. We will size for them at class in September.

I posted pictures of each uniform with detailed descriptions here:

<https://www.justforkix.com/danceclasses/bismarck-north-nd/resources/>

Note that some uniforms are not pictured exactly as we have them; for instance, the photo may show a different hair piece or shoe.

You may already have some uniform items, such as tights or a hair accessory that we are using again. If so, you do not need to order a new one.

Senior Kix (grades 9-12) dancers also will be required to purchase a team jacket. This jacket is custom to our program and helps give our high school dancers a traditional dance team experience. We will do a bulk order in September, and the cost is usually around \$115, or \$125 personalized with a name.

Use coupon code 25JFK! for a 15% discount on uniforms through June 15. Enter code in the EQUIPMENT field when checking out.

K and 1st grade dancers

If your dancer will be in kindergarten or 1st grade in the fall, you can choose any one of the three Wee Petites class options. They are the same level, just different times.

2nd and 3rd grade dancers

If your dancer will be in 2nd or 3rd grade in the fall, you can choose either of the Wee Kix classes; however, I ask that you choose the Wednesday class time option, if possible, to keep open the Tuesday class time for those who have a Wednesday church conflict. Thanks for your help in keeping our classes balanced.

4th and 5th grade dancers

If your dancer will be in 4th or 5th grade in the fall, you can choose either of the Mini Kix classes. The two classes are the same level, just different times.

Jazz/Hip Hop classes

Dancers in grades 4 and up can take Jazz/Hip Hop as an additional class each week (Kix class is a co-requisite). If your dancer is interested in adding this class, please read the Jazz Frequently Asked Questions (FAQ) document here: <https://www.justforkix.com/danceclasses/bismarck-north-nd/resources/>

Payments

Registration Fee: \$23.00 annual fee

Monthly class fee: \$48.00 per month per class, \$45.00 preschool per month.

Auto-Pay: Tick the box under the column for "Auto-Pay." This will then be set up to be processed on the card on the account on the 1st of each month. No more late fees!

If you were previously signed up for Auto-Pay and you want to continue it, you will need to opt-in again each time you register for each class because Auto-Pay does not carry over from one season to the next.
