

## **Just For Kix – Registration!**

Registration for next season will open **Thursday, April 12 at 12:00 am.**

Register online at <https://www.justforkix.com/danceclasses/bismarck-north-nd/>.

If you need help with login, contact the home office at 218-829-7107.

I know this seems early, but I do much of my planning over the summer months, like hiring appropriate staff and selecting choreography to fit each class. I also hear from parents what a relief it is during the hectic “Back to School” season to have dance taken care of. I appreciate your early registration to help with planning.

### Uniform orders

- If your dancer is getting a new uniform next season, I encourage you to order your uniform now. We will size at class for those dancers who are in a different uniform next year.
- Some uniform pieces are the same as what you may have this year. You do not need to order another item if you already have one that fits.
- Do not order shoes now. We will size for them at class in September.
- Note that some uniforms are not pictured exactly as we have them; for instance, the photo may show pants with a pink sequin leotard, but we wear the leotard with shorts and tights.

### 2nd and 3rd grade dancers

If your dancer will be in 2nd or 3rd grade in the fall, I ask that you choose the Wednesday class time option if possible, to keep open the Tuesday class time for those who have a Wednesday church conflict. Thanks for your help in keeping our classes balanced.

### Jazz/Hip Hop classes

Dancers in grades 5 and up can take Jazz/Hip Hop as an additional class each week (Kix class is a prerequisite). See the Jazz Frequently Asked Questions (FAQ) document here:

### Can I register without going online?

Yes, you may call the home office or mail your registration materials to the home office in Brainerd, MN; however, online registrations will get priority because your registration will have to be manually entered at the home office, and classes sometimes fill fast.

### Payments

- Registration Fee: \$17.00 annual fee for the first participant in the family and \$9.00 for each additional family participant.
- Monthly class fee: \$37.00 per class.
- Auto-Pay: Tic the check box under the column for "Auto-Pay." This will then be set up to be processed on the card on the account on the 1<sup>st</sup> of each month. No more late fees!
- If you were signed up for Auto-Pay this season and you want to continue it, you will need to opt-in again each time you register for a class because Auto-Pay does not carry over from one season to the next.
