

Dear Parents of Dancers Competing at Rochester TWD Nationals,

I am letting you know that the Rochester TWD event will be billed differently than most other events. It will have a higher entry fee but no admission or gate fee for spectators.

RATIONALE FOR THE CHANGE

1. It will really change the "FEEL" of the event. You will be happier when you arrive. You will not have to get out your wallet the minute you get to the door. You can take your child back without getting stamped. You can come and go and not have to get checked,
2. As JFK grows, it is harder to find the trusted employees it takes to work the volume of weekends. We have 16 days of competition this season and anticipate that will grow in the future.
3. At the facility, there are so many doors and other events happening, that it will be impossible to know who are our spectators and who are other event guests.
4. It will save parents money that have children competing on multiple days or siblings on different days. (This way they will not have to pay for multiple days of spectator fees)

- **THE FEE STRUCTURE FOR ROCHESTER WILL BE:**

TEAM FEES per individual dancer:

1st routine \$29.00, 2nd routine \$9.00, 3rd \$7.00, 4th and more \$7.00 each

SOLOS ENTRY FEES

\$85.00 for each Solo entrant – 1 dancer total

\$43.00 for each Duet entrant – 2 dancers total

\$29.00 for each Trio entrant – 3 dancers total

\$22.00 for each Small group entrant – 4-6 dancers total

If you have questions, please contact me.
