

# Duluth Just For Kix **REGISTRATION** SOLOS, DUETS, SMALL GROUPS & PRIVATE LESSONS *Information*

Dancers 2nd grade and up can sign up for Solo, Duets, Small Group (SDS) packages and private lessons! These can be set up with any of our Head Instructors or Coach Alli. Times and dates will be worked out between the dancers and instructors once you register for a lesson. We want to schedule these right away, we prefer to get them done over the summer. You can sign up for private lessons at anytime throughout the season.

\*Dancers who want to do a SDS need to also be in a Jazz class.

Solo and small groups can be done to perform at our Spring Show, but we would love those who do them to compete in at least one competition! (Extra entry fee required for these comps). Competition schedule will be sent out in November.

## Common Questions:

### Why should my dancer do a Solo, Duet or Small Group (SDS)?

Dancers that participate in SDS are working on technique and skill. These dancers are having to work harder at technique as the judges are able to give them more feedback being a solo, duet or small group.

### What song should my dancer choose?

We can help dancers pick a song that is not over used but will allow them to dance to their strengths.

### How do I know what costume to pick?

All costumes need to be approved by Coach Alli. Costumes can be from any vendor. We suggest dancers borrow or rent costumes to keep prices low.
