Sept. Newsletter

Welcome

Hello everyone,

We are very excited to get the season started. I've put together these newsletters for you to find all the information you'll need. Make sure to read through the newsletter each month so you don't miss out on important information.

We have a few snack and beverages for sale at our front desk. All items are \$1, cash only. Please clean up after yourselves.

All children must be accompanied by an adult when they're not in class. Or lobby is open for dancers and parents to wait.

Bathrooms are located in the back of the studio along with changing rooms. Please don't use bathrooms to change in.

UNIFORMS

These uniforms will be used for our performances not for practice. We can size your dancer for you so you can order the correct size. Dancers must have uniforms ordered by September 30th to guarantee them to be here in time for our Winter Show. I attached a shoe sizing chart in my email to help you with your sizing.

BAND APP

This is a new group from years past. We will be using emails to send monthly news letters, new class information, and other information regarding the program. The BAND APP is just another form of communicate, although I will only be checking email for questions. Make sure you're in our Just For Kix Duluth Band App. This will have a calendar with events and times. We will also be sending out the same information via email but want to make sure everyone has access to it. Please do not use the chat or post on the app for questions. We don't want parents to get annoyed of all the notification.

Separate Band links will be sent for your dancers specific class.
