**Dancers in more than one class:** If you have a younger dancer that is in ballet or hip hop in addition to their regular class, I would recommend a parent helping them change and making sure they are back with their group. It is very intense backstage and we have a lot of volunteers helping who don't know the kids like our staff does. We just want them to feel comfortable. Thanks.

**Admission:** Show admission is \$6/adults; \$4/students, preschool and under are free. If you have children

dancing in both shows and would like to purchase a **Multi-Show Pass**, the cost is \$10.00/adults and \$6.00/students. These are available at class until Tues, May 2nd. No multi-show passes are available on show day.

**Preschool Parents:** We are not doing Show Day rehearsal with the preschoolers this time. Rehearsal was getting long, they mainly watch us at that age, and they are used to performing now, so I think they will be fine.

The preschoolers dance early in the show. After they dance, please meet your dancer in the hall and have them sit with you for the remainder of the show.

**Concessions:** We will sell Griff's Pizza by the slice, and a few other concessions between shows in the cafeteria. You are also welcome to bring something for supper, or you may take your dancer for a dinner break. If leaving between shows, please be back to the school by 6:10pm.

**Spring Show DVD:** The Spring Shows are professionally videoed. If you would like to order a DVD, you can pre-order by April 25th and save \$3.00. Order forms are available at class and online. You are welcome to video the show yourself as well.

**Flowers:** We will have fresh flowers from Coborn's available for purchase again at the show!

**Seating:** Our shows get very full. If you have an older child than dances in both shows, maybe consider only coming to one show. Our routines are choreographed to be viewed from above, so sitting up high is a good thing. We will have some seats reserved for elderly and families that have a member unable to climb the bleachers. Please watch for signs posted on the seats.

**Show Etiquette:** Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers.

Applause is welcome!! When you see something you like while the team is performing, let them know. A dance performance is an interactive experience!

**Volunteers:** I am still in need of many volunteers for the show. Volunteers get in free. We use volunteers for group leaders, ushers, t-shirt sales, admission, concession sales. Please let me know ASAP if you can help.
