Dancers

Dancers should arrive **30** minutes prior to their show, dressed in their costume with hair done. *See the specifications for each class in this newsletter.

If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag. LABEL your items.

Once dancers are dropped off at their staging area, we ask that they stay with their class until their last performance. We don't want them wandering around or in the gym area without their instructor at anytime.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available.

ADMISSION

Remember to have your pre-sale tickets available to give to the door monitors. Or please have your admission money ready.

SEATING

We will have a full crowd, but we will try to make enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Tiny Kix (3-5yr olds) and families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, **please refrain from moving while a team is performing.** If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

Your dancer will be asked to sit in the audience with you after their last performance.
