

# Together We Dance Competitions

We are so excited to have our Brainerd Just For Kix dancers participating at six Together We Dance competitions in 2017. These events have proved to be the highlight of the year for many dancers and spectators. We hope that everyone goes in with the attitude that "Doing your best is more important than being the best!" Sportsmanship must be a priority. Together We Dance competitions are a great opportunity for our dancers; it instills a harder work ethic and gives them something to strive for. Because it is a competition, every team cannot be in first place. Each group will be placed in a division with other Just For Kix teams based on group size and average age of the team. We are so excited to show off our talented, dedicated and hardworking Brainerd dancers. Good luck to all of the teams this season.

**Cost:** There is a competition fee for each dancer. These fees will be billed into each dancer's account prior to the competition date. The fees will have to be paid BEFORE each competition for your dancer to receive their bracelet on the day of the event. Dancers without the TWD bracelet will not be allowed to compete that day. Please check your account online at: [classes.justforkix.com](http://classes.justforkix.com) to verify billing and payment prior to the event.

**Arrival and performance times:** A detailed schedule of the day will be available 1-2 weeks before the event. We will indicate your arrival time, and awards ceremonies for each team.

**Transportation:** Parents will be responsible for providing transportation to and from the competition.

**Other Expenses:** There will be an admission fee to the event (\$6.00 adults \$3.00 students) for spectators. Concessions will be available throughout the day. There will also be a wide variety of JFK merchandise available for purchase as well.
