

Brainerd Just For Kix TWD Competition Schedule 2017-2018

Below is a **TENTATIVE** list of Together We Dance competitions that we will be attending. This may change if we find out there is no one for us to compete against, or if our classes end up competing against each other. If this happens, we will let you know as soon as possible!

Please note which competitions your class is scheduled for and mark it on your calendar. It is our goal that every dancer attends each of these events! Parents are responsible for bringing their child to these events. If you can't make it, try to find someone in the class that your child can car pool with. Detailed Information on these competitions will be emailed approximately 1-2 weeks prior to the event.
