

Together We Dance COMPETITION

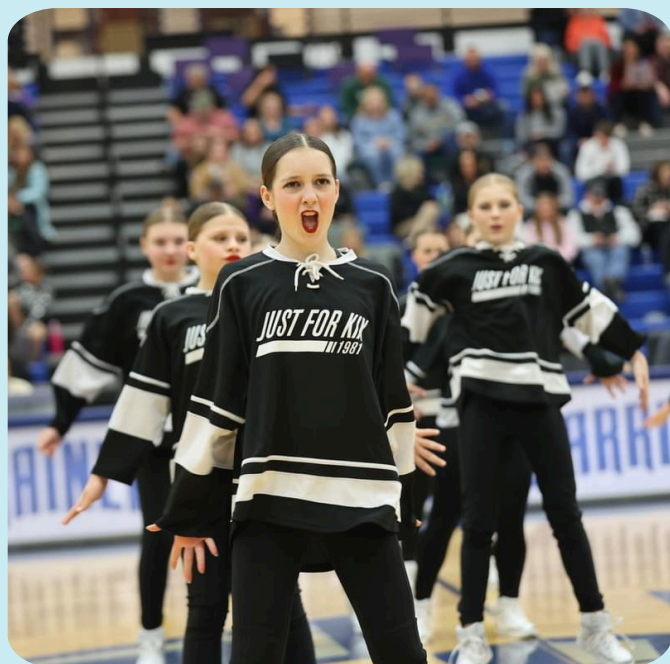

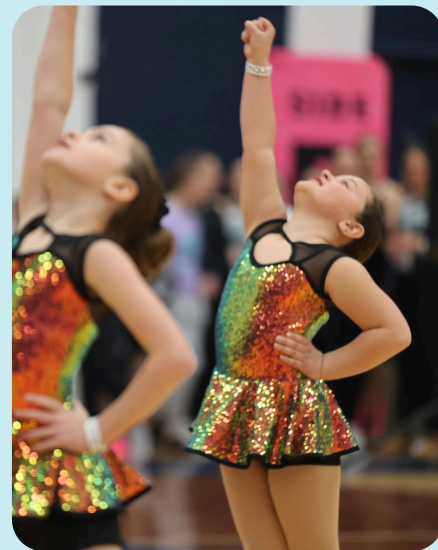

What is Together We Dance? (TWD)

Teams competing consist of dancers in Just For Kix programs from all over the region. These competitive events have proven to be the highlight of the year for many teams. Please keep in mind the goal of these events is to provide our dancers with an opportunity to perform in front of a large crowd and share their talents with more people than just those in their community. It also gives our dancers an opportunity to meet other dancers involved in Just For Kix from a number of different communities and we all get the chance to cheer for one another.

It is a competition and teams will be awarded places, depending on the size of the category. Categories are determined by the JFK Home Office based on the average age and size of the entire team. Every team cannot be in first place. We hope that everyone goes in with the attitude that “doing your best is more important than being the best!” Sportsmanship must be a priority. We feel that the exposure to other groups will instill a harder work ethic and give dancers something to strive for. This will be a great opportunity for our dancers, I hope you make every effort to participate.

When you will receive information

3-4 weeks before the event: Approximate performance times will be sent out to parents.

2-3 weeks before the event: Competition fee will be billed in to accounts. Autopay does not apply for competitions so you need to manually make the payment.

The Friday of the week BEFORE the event is the deadline to pay for competition. This is a FIRM date. The home office needs one week to prepare and pack wristbands for each dancer. instructors also need the commitment so that we know who is attending the week of the event so we can re-do formations as needed.

Monday of the week of competition: The final detailed schedule will be sent out. I will indicate the arrival times and awards ceremonies for each team You can also find these online at: justforkix.com/twd
