

# Together We Dance Competitions

## What is TWD?

TWD Stands for Together We Dance, these are Competitions in which we enter our teams in. Dancers in 2nd-12th grade will attend these events. We typically participate in 3 events per year

There is an extra expense of a competition fee. If your dancer is unable to attend any competitions, notice should be given to the director well in advance for routine numbering purposes and so we can remove the competition fee from your account. Competitions are not required but are highly recommended as the experience provides so much fun, growth and character building for the children.
