**\*\*EXCITED TO ANNOUNCE:** -- Emily Moger will be coming in to assist us in a few classes starting next week :) Emily has a background in High School dance and is excited to join our team! She will be assisting with Lyrical, Mini & Middle Kix.

This Week In Dance:

**Tiny Kix (2yrs thru Preschool) --- We started a new routine this week "By The Sea" and we learned a new fun song that the older girls do -- DJ Shuffle. Im excited for these girls to show the Harmony Healthcare Center everything that they've learned!**

**Wee Petite (Kindergarten & 1st grade) - Our K & 1st graders had some fun today working on our 'follow the leadre' portion of candy cane lane. They will get to do Candy Cane Lane & DJ Shuffle at the Telethon! Next Week we get to start a new routine .... MERMAID PARTY!! :)**

**Wee Kix (2nd & 3rd grade) -- these ladies started learning a new routine and as always they didnt disappoint in quickly getting this choreography down -- not ready for video yet but will be next week. they will be performing Best Day of My Life at the telethon this weekend.**

**Mini Kix (4th & 5th grade) --- We put the finishing touches on our routine for Stop The Party which they will be competing this month. We are working on cleaning up our turns, our facials, sharp arms, etc.**

**Middle Kix (6th & 7th grade) --- We finally put the finishing touches on our FUN routine. Please let me know right away if your dancer will not be at competition so that we can plan for this formation wise. The girls are encouraged to work on their kicks and double turns. they really need to have these down for points at competitions! Check out the video below \*\* most of these girls will be eligible for**

the Fillmore Central/Lanesboro dance team next year, please let me know of their interests there or any questions & please watch for an additional email for this class specifically within the next few days.

Lyrical -- this class is doing beautifully! They have a lot of skills in this routine, including a Tilt Jump, Attitude jumps, Chaines, and a Double Turn just to name a few. Lyrical will not be competing in Rochester this month but will be competing in Decorah in March. I'd really like<sup>1</sup> to find these girls another performance opportunity as well if anyone knows has any leads let me know. They will of course perform at the Spring Show as well. They have asked me to include their AB workout which I have attached below :)
