Jr/Sr Jazz done appr. 12:30pm  
Senior Jazz done appr. 1:10pm

\*\*Junior Kix report to the Multi-Purpose Gym for practice at 10:15am

**Teeny Kix (6 week 2-3 year old class)** do not have morning rehearsal. When you arrive at the show, parents should keep their dancer with them until show time. Try to sit in the lower part of the gym, not the balcony. I will get them when the show starts and bring them onto the floor; they will return to you after their performance.

**Dancers in more than one class @ the Show:** If you have a younger dancer that is in hip hop in addition to their regular class, I would recommend a parent helping them change and making sure they are

back with their group. It is very intense backstage and we have a lot of volunteers helping who don't know the kids like our staff does. We just want them to feel comfortable.

**Preschool Parents:** The preschoolers dance early in the show. After they dance, please meet your dancer in the hall and have them sit with you until we announce for them to line up for the Finale.

**Admission:** Show admission is \$6/adults; \$4/students, preschool and under are free. If you have children dancing in both shows and would like to purchase a **Multi-Show Pass**, the cost is \$10.00/adults and \$6.00/students. These are available at class until Tues, Dec. 5th. No multi-show passes available on show day.

**Concessions:** We will sell Griff's Pizza by the slice between shows in the cafeteria. You are also welcome to bring something for supper, or you may take your dancer for a dinner break. If leaving between shows, please be back to the school by 5:15pm.

**Winter Show DVD:** The Winter Shows are professionally videoed. If you would like to order a DVD, you can pre-order by December 1st and save \$3.00. Order forms are available at class and online. You are welcome to video the show yourself as well.

**Flowers:** We will have fresh flowers from Coborn's available for purchase again at the show!

**Seating:** Our shows get very full. If you have an older child than dances in both shows, maybe consider only coming to one show. Our routines are choreographed to be viewed from above, so sitting up high is a good thing. We will have some seats reserved for elderly and families that have a member unable to climb the bleachers. Please watch for signs posted on the seats.

**Show Etiquette:** Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers.

Applause is welcome!! When you see something you like while the team is performing, let them know. A dance performance is an interactive experience!

**Volunteers:** I am still in need of many volunteers for the show. Volunteers get in free. We use volunteers for group leaders, ushers, t-shirt sales, admission, concession sales. Please let me know ASAP if you can help.
