I am not into make-up for little girls, so that is not necessary unless your dancer typically wears make-up. A little lip gloss is more than enough as they are naturally beautiful.

# What to Expect

## **PARKING**

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available.

## **ADMISSION**

We accept free-will donations to a local charity for admission. You can enter the gym via the doors like you would for a basketball or volleyball game.

## **SEATING**

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Tiny Kix (3-4yr olds) and families that have a member unable to climb in the bleachers. Our dancers will sit with their families unless they are performing, so be sure you have enough room and that they can get to the floor quickly when it is their turn.

## **DURING THE SHOW**

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

## **AFTER THE SHOW**

Our last number will be the finale' which encompasses all classes PreK-6th. We will then take a group photo of all of our dancers, and I have a little gift to give each dancer. I will stay on the gym floor with the PreK-3rd grade dancers until parents come down onto the floor to pick them up. Older dancers are free to meet their parents in the bleachers after the finale' and photo/gift. Make sure to arrange a meeting place prior to dropping your dancer off.
