Messes, Theft, Vandalism

Supervision

Dancers are supervised during their regular class time. Although we may have several classes the same day, during the time prior to and after the class you will need to watch your children. We want them safe.

THE JUST FOR KIX DANCE SEASON

Our dance session is broken down into two parts:

September – December

The primary focus of the first few months of class is preparing the dancers for their season. Dancers will work on new technique, skills, strengthening, stretching and choreography. We use this time to lay a strong foundation for the season. Performances at this time of year are minimal and typically do not use the class uniform.

December – April

The uniforms are in and the dancers are ready to start performing. This is the time of the season where dancers get a chance to perform their routines while continuing to build on their technique and skills. The majority of our performances for the season will fall during these months. It is fun to see how students grow as dancers and performers during this part of the season. Older classes may also compete at Just For Kix competitions.

WHAT TO EXPECT FROM JUST FOR KIX

- There are, on average, 32 classes in the season. Some programs do go to 36 classes.
- Depending on the location, classes will run for either 8 or 9 months.
- Tuition is based on the number of classes your dancer is scheduled to attend. You will get what you pay for.

UNIFORMS

Uniform orders are due at registration. If you have not ordered your uniforms, please do so immediately.

If you still need to order your uniform:

Uniforms need to be paid in full before the order is placed. Some uniforms may take 8-12 weeks from the order date to arrive, so all will not be guaranteed delivery prior to the winter show. Many ordered in the Spring for that reason.

If you have received your uniform:

Try it on right away. If the sizing is not correct, please follow the instructions on the back side of your uniform invoice on how to handle uniform exchanges. We can make an exchange as long as the uniform has not been worn or damaged. Tights can only be exchanged if they are unopened.

CURRICULUM

Our goal throughout our dance program is two-fold:

1. To teach dancers proper technique, and to develop the strength and flexibility to perform these skills.
2. To introduce choreography and to work on movement and performing. Younger classes will be more choreography-based and will learn 3-4 dances per season. Older dancers will have more emphasis on flexibility, strength, skill work and performance. They will generally learn 1-2 routines per season.

INTRODUCING THE TuTu Tots ACADEMY

We created a revolutionary curriculum that will give your preschoolers the ultimate fun time while learning the basics in dance.

Using colorful and fun learning tools, the class will let your dancers discover

the joy and passion for dance. Our curriculum is designed specifically for preschoolers based on their learning abilities. You will see growth in the areas of communication/expression, cooperation, self-control and self-esteem.
