Dancers

Dancers should arrive **20** minutes prior to their show, dressed in their costume with hair done.

Each Class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy.

ADMISSION

Remember to have your pre-sale tickets available to give to the door monitors. Those of you with pre sale tickets, will go through a separateline

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Teeny Kix (3-4yr olds) and families that have a member unable to climb in the bleachers.If you need a reserved seat for a family member, please contact Holly Prior to the event.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

Our last number will be the finale' which encompasses all classes 4-12th. Older dancers are free to meet their parents in the bleachers after the finale'. Make sure to arrange a meeting place prior to dropping your dancer off. Our preschool dancers will sit with their families following their last performance.
