Hello,

Studio Picture week is coming up February 9th-February 12th. All order forms will be passed out in class the week prior to photos. You do not need to print on your own unless your dancer is absent from class that week.

A few things to help picture day run "smooth":

-Fill out order envelopes in advance and have them ready to go

-Have dancers ready when they arrive- hair and make up can be done however you would like but we ask dancers look "nice"

-If you are not ordering pictures- please have your dancer still attend in full uniform with hair/makeup done. (This way they are in the team photo)

-If you know you will be absent from pictures- please let your instructor know so we are not waiting for you on photo day

-We will wait 5 minutes into arrival time prior to taking our team photo

-Once pictures are done- dancers are free to leave

-We do not allow parents in the studio on picture day- we will make sure they look nice and do our best to get them to smile :)

-There are no regular practices during picture week as we use both studios for set up
